A/C F.W. Loops, Class-42-K  
Good fellow Field

See what we fly  
here? - They won't allow  
us to use cameras so  
here's next best! - They  
still seem a little large,  
like flying a hotel or  
something - but I'll get him!  
Sorry no better - but  
time barely allows even  
a card, so don't get mad.  
Keep your fingers crossed for  
me! -
